DIRECT CARE AUSTRALIA Employment Information

 8336 8861

... an essential community link

Working for Direct Care

Direct Care Australia is a privately owned company which strives to be responsive to the complex needs of its clients.

These needs may include

- Health and personal care
- Cultural and linguistic support
- Social and recreational activities
- Domestic and home help

We require qualified and experienced staff to assist our clients to maintain their optimal health and quality of life.

Staff working in the community care industry work without direct supervision and so need to be very good communicators both with clients and their Coordinator, must be very skilled in their chosen area of work and have a sound knowledge of the industry and its standards.

Staff work on a casual basis and are rostered over 7 days to certain clients. Regular hours can not be guaranteed.

Pre-requisites for Employment

- Current Senior First Aid Certificate
- Manual Handling Training Certificate or evidence of annual update
- Certificate III in Aged Care Work or Disability Care or Home and Community Care or similar is required for Personal Care activities
- Staff without Cert III may be limited in the work they can do
- Aged care or disability or community care experience
- A current and original National Police Certificate no more than 3 months old
- Current Australian drivers licence
- A reliable car that is registered and insured.

Additional Requirements

- A medical clearance from NN Associates at own expense (If this is not favourable then employment may not be able to be offered)

When Accepted for Employment

You will need

- two passport size photos (Please print your name on the back)
- uniforms consisting of navy blue trousers or skirt, appropriate enclosed work shoes and a shirt with the Direct Care logo
- to attend meetings when required
- to attend additional training as required
- to update your manual handling and first aid annually and police clearance 3 yearly or earlier if requested by Direct Care Australia
- to purchase of a portable RCD, from Direct Care Australia if you use any electrical equipment in a client's home. The cost will be refunded on return of the RCD.
